

# 50/50 Draw

Each subscription of £12 gives one chance to win a cash prize every month from September to August. The total contributions will be split each month 50 / 50 between the winning number and the County Training and Activity Centre at South Newton, Kilmacolm. This will allow us to continue maintaining the premises to an even better standard. To have a chance of winning enrol NOW and encourage as many friends, guiders, former guiders and parents of girls to join too! The more that join the better. Anyone can enter at any time throughout the year by paying the pro-rata subscription.
